Moderato

Kan - sas of won - der - ful dreams, the great dream - er, The
Kan - sas the songs of your birds at the dawn - ing Make

do - er of deeds that are great
harm - o - ny won - d'rous and rare,

On tow'rd the
Kan - sas! the

stars tho' the path - way be dif - fi - cult Kan - sas our
wild flow'rs that car - pet your prai - ries are sweet - er to

own be - loved sun - flow - er state, In youth or in
me than a gar - den most fair, Your days they are

age we can nev - er for - get her, And tho' far a -
bright - er, your skies deep - er blue, And at night - time the

field we may roam, As the sun - flow - er turns her bright
stars up a - bove Turn our tho'ts to the fields and their

face to the sun, So our hearts turn to Kan - sas our home.....
 sun - flow - ers bright, In the won - der - ful Kan - sas we love.....

CHORUS

Gold - en the Sun - flow - er em - blem of Kan - sas, Gold - en the

sun - shine that smiles on each hill. Gold - en the grain - fields that

gleam on your prair - ies Gold - en the leaves of your au - tumn so

still. Gold - en and crim - son your sun - rise and sun - set

Gold - en the star gleams, that pierce the night thru, Gold - en our

dreams of your glor - i - ous fu - ture Gold - en our

mem - o - ries Kan - sas of you. you.
